

KING'S THEATRE

Our intimate and comfortable 220 seat theatre is the ideal venue to experience our non-stop stream of cultural activities. During the year we present a full mix of programming from classical music to jazz, rock and folk; musicals and drama productions (touring and local); and movies ranging from highly creative independents put on by our Film Society, to popular movies for every age and taste. Meet old friends, enjoy refreshments and view the work of talented local artists in our newly refurbished lobby.

Performers as well as audiences love it at King's Theatre

"What a wonderful audience, it makes me want to move here...."

Jens Lindemann, trumpeter for the Canadian Brass, Grammy and Juno nominee.

"This is one of the nicest places we have ever played...."

Alison Brown, Grammy award winning banjo player

"Something magical happened for us on the stage of King's Theatre..."

Harry Manx, Canada's foremost blues player
