

**Annual General Meeting
Report on 2018 Tournament of Kings
John Bottomley, Chair, ToK organising committee
21 March 2019**

Thanks

The first order of business is to thank the members of the organising committee, Ted and Sue Ashdown, Ray and Cheryl Balcom, Jane Borecky, Lawrence Garner and Wayne Currie. They did an enormous amount of work in securing sponsors, getting prizes for all 112 golfers, working with Sid Young to ensure the course was set up for the tournament, organising the post-play dinner, acting as volunteers on the day of the tournament and in any number of other ways. Thanks are also due Janet Larkman and other theatre staff who provided significantly greater help this year than has been the case for past tournaments. Thanks also to the volunteers who helped on the day to make the tournament go smoothly.

A good tournament on the day

The tournament was a great success on the day. Twenty-eight teams, 112 golfers, took part. The weather was close to perfect and anecdotally teams had a great time. Post-play dining and the collection of prizes also went smoothly.

A financial success

Financially the tournament was a success. Total revenues for the tournament were \$19,666. Monies were raised through sponsorships, team registrations, a 50/50 draw, the on-course BBQ, the sale of Cheat Cards and the raffle. It is worth noting that, as the direct result of the work of the Committee and of the General Manager, a further \$6,000 was raised from donations made directly to the theatre.

Expenses were \$3,779. The largest expenditures were for the post-play meal at Founder's House, for the sponsors reception and for the rental of twenty golf carts. Net revenues were thus \$15,887.

Significant in-kind donations were made by Bailey House, by Belliveau Ford, by Just Us! Coffee and the over one-hundred prizes donated by local individuals or merchants.

Total revenues for the 'weekend event', i.e. from the tournament proper, from donations, from credits and from a sold out David Myles concert were well over \$30,000.
